

Dad is traveling to New York for work and leaving a couple of days. He promised me to bring a gift when he returns!

Dad is flying across the ocean now, one day you will also fly just like daddy.

Good night darling, sweet dreams

Your dad's briefcase got lost in a NY taxi. He can't find it anywhere. I need your help!

Sorry Vivie, I haven't. Maybe the Brooklyn bridge knows?

Blue, have you seen daddy's briefcase?

Mr. Brooklyn Bridge,
have you seen
daddy's briefcase?

I think I saw a taxi driving south
with a briefcase, perhaps Lady liberty knows?

You have found
daddy's briefcase!
Thank you so much
Lady Liberty

Come visit us
again soon
Viviëne

Viviënne is flying back with the briefcase leaving New York City behind.

I flew as well daddy!
